The New Year is here and it is time to think of the approaching new fishing season and the Annual General Meeting. It is at the AGM that members must elect the Association's Officials and Committee, set the subscription level for next year and debate any required rule changes. It also provides an opportunity for the various Officials to report on the work of the Association's Committee this past year.

The AGM agenda will be provided at the meeting, but, in accordance with Association rules the Committee's recommendations for rule changes and subscription levels are circulated to give every member the opportunity to study them before the meeting.

COMMITTEE RECOMMENDATIONS

- a) Subscriptions to remain the same
- b) Ratify rule change

Constitution Rule 7 - Election of Officers to be amended to include the wording 'A member who wishes to be considered for election at an Annual General Meeting, as a replacement Officer, must notify the Secretary by the 20th November prior to the meeting and must have been a member of the Committee for at least two years at that date. This provision may be overridden at the discretion of the Committee.'

- c) Rule change:-

Constitution Rule 3 to be amended to include the words. 'There is no provision for the refund of subscriptions if the fishing rights to any water rented/owned by the Association is relinquished or lost during the membership season.'

- d) Rule change:-

Conduct Rule 4 regarding the issue of dog permits to be amended to include the words 'and the Layer Marney complex'

- e) Fishery Rule change

To report the Committee's decision that the Night Fishing arrangement at the Layer Marney complex should be made permanent.

- e) Fishery Rule change

To report the Committee's decision that the concessionary subscription arrangement for the residents of Tollesbury regarding the Hunts Farm Reservoir be removed.

Best wishes for the New Year from the Committee and Officials
